Caprice Electronics Inc

(b) (4)

Re: Letter of Supply

Dear (b) (4)

This Letter of Supply is in reference to (b) (4) the General Services Administration's Contract # GS-02F-0023X.

In the event the Caprice Electronics Inc is currently or is awarded a contract under the aforementioned solicitation/contract number (b) (4) will assure an uninterrupted-source of supply, with sufficient quantities of product to satisfy the Government's requirements, for the duration of the contract period (to include option periods).

(b) (4) understands that all products and services proposed on Caprice Electronics Inc contract must be compliant with the Trade Agreements Act (TAA) (19U.S.C. 2501, et seq.). Further, while we understand that responsibility for TAA compliance resides with Caprice Electronics Inc, (b) (4) agrees to work and cooperate with Caprice Electronics Inc to support Contractor's TAA compliance of items proposed on its contract and provide country of origin information.

(b) (4) understands that if it certifies to Caprice Electronics Inc that an item being supplied meets or exceeds the minimum content levels established under the Comprehensive Procurement Guidelines\*\*\* (CPGs) program, then, in order for Caprice Electronics Inc to display the appropriate environmental attributes on its GSA Contract for the item, Caprice Electronics Inc must retain proof in the form of a copy of the certification from the manufacturer or a copy of the environmental organization's certification or be able to obtain such proof from (b) (4) on request. A document showing the percentage of the recovered materials and post-consumer materials in the item proposed must also be retained by Caprice Electronics Inc or be available from (b) (4) to Caprice Electronics Inc upon request. Accordingly, Caprice Electronics Inc and (b) (4) mutually agree on a process to facilitate Caprice Electronics Inc compliance with it EPA/CPG obligations under the Contract.

(b) (4) understands that if no proof of the environmental attributes being claimed is provided then Caprice Electronics Inc will not be allowed to display the applicable environmental attribute icon.

The person whose signature appears below is authorized to make the commitments noted above.

Sincerely,

(b) (6)

(b) (4)

\*The letter of commitment/supply is a template and will constitute the first page of the letter. Although the content herein is sufficient, Suppliers may provide additional verbiage in subsequent pages as long as the verbiage does not contradict the statements made in the above information.

\*\*Please note that "Supplier" name is synonymous with "Manufacturer" and/or "Distributor."

\*\*\*The EPA maintains a list of EPA-designated products in their CPGs to provide Federal agencies purchasing recommendations on specific products in several Recovered Materials Advisory Notices (RMANs). Each RMAN contains recommended recovered and post-consumer material content levels for the specific products designated by EPA (40 CFR part 247 and EO 13423: Strengthening Federal Environmental, Energy, and Transportation Management). Visit the CPG web site at <http://www.epa.gov/cpg> to view the current list of products that must comply with Comprehensive Procurement Guidelines (CPGs). Also, CPG supporting documentations and background information (such as RMANs) can be found at <http://epa.gov/cpg/backgrnd.htm>.
